NEW MORTGAGE PAYMENT NOTICE AND ESCROW ACCOUNT DISCLOSURE STATEMENT

Seterus, Inc. is the servicer of the above referenced loan. In accordance with federal guidelines, your escrow account is reviewed at least once a year to determine if sufficient funds are available to pay your taxes and/or insurance. Your escrow payment will be a minimum of the total anticipated disbursements divided by the number of scheduled installments due in the next 12 months. This payment will increase if you have a post-petition shortage and/or deficiency. This statement provides a history of actual escrow account activity and a projection of the escrow account activity for the next 12 months.

Our records indicate a petition for Bankruptcy was filed on September 8, 2014. Pursuant to that petition, we have filed a proof of claim with the Bankruptcy court. Any shortage and/or deficiency listed under the Proof of Claim section will be excluded from your future scheduled escrow payment as these amounts will be added to your pre-petition arrearage and collected in your bankruptcy plan payment.

[illegible]

This is a statement of actual activity in your escrow account from August 2016 to May 2017. This history compares the projections from your last escrow analysis or initial disclosure and the actual activity in your account. If a prior escrow analysis was not conducted during this historical period, the projected escrow balance will be zero.
